Female Balance

What is Female Balance?

Female Balance has a unique formula with a carefully selected, special combination of nutrients and botanicals recognized by experts for their role in supporting women's health through every stage of life. Female Balance is designed to help support your overall wellness, so you can feel your best each month.

Benefits & Features

- Supports women's wellness
- Supports bone health
- Supports mental health

Key Ingredients

- **Dong Quai and Rehmannia** are botanicals traditionally used for centuries to support women's wellness and maintain healthy circulation.
- **Ligusticum** supports healthy circulation and helps promote women's reproductive health.
- **Female Balance Blend** is a special combination of botanicals and nutrients, including Vitamin B6 to help support mood health and healthy red blood cells production, and Magnesium to help maintain healthy muscle and nerve function for overall health and well-being.

With DeltaZorb ®

DeltaZorb

is a proprietary blend of concentrated herbal extracts that enhances nutrient absorption, helping your body take in more vitamins and minerals for improved health and vitality.

FAQ

Question: Who should take Female Balance?

Answer: Female Balance is intended for all women aged 18 years and above.

Question: Does Female Balance contain hormones or steroids?

Answer: No. Female Balance does not contain any hormones or steroids.

Question: Can I take Female Balance if I'm pregnant or nursing?

Answer: We recommend consulting with your physician about any supplement if you are pregnant or nursing.

Directions
