- Organic Probiotic Food Blend™

FAQ

Question: What makes Xyngular Probiotic different from other probiotics?
Answer: Xyngular Probiotic has a unique blend of healthy bacteria strains that are specifically selected to support digestion, mood, and a healthy metabolism. Xyngular Probiotic also includes an Organic Probiotic Food Blend™ that feeds and nourishes the bacteria.

Question: Should I eat food before taking Xyngular Probiotic?
Answer: Take Xyngular Probiotic on an empty stomach with water. We recommend taking it first thing in the morning.

Question: Is Xyngular Probiotic vegan?
Answer: Yes, Xyngular Probiotic is vegan.

Directions

Take one capsule daily with water, ideally on an empty stomach.
