Know Your Business

Power of 5: Build Momentum That Lasts

If you want to truly grow your organization, commit to sponsoring at least 5 new enrollments every month — with some stepping in as Business Partners.

The more Partners you personally sponsor, the faster your team expands. Below 5 enrollments — or with fewer Partners — growth slows. But when you consistently hit 5 or more, momentum builds.

This is how you create consistency, build momentum, and maximize the Xyngular compensation plan — enjoying more rewarding earnings and, as a bonus, earning free trips along the way.

Each month of X5 is another brick laid for your long-term business — one that continues to pay you.

Stay consistent. Think X5.
