Advanced Omega

What is Advanced Omega?

Advanced Omega is a fish oil supplement that includes a blend of three essential Omega-3 fatty acids. This unique combination supports a healthy brain, heart, and joints. Friend of the Sea certified, Advanced Omega is sustainably sourced with high-quality, wild-caught marine oil.

Benefits & Features

- Supports healthy brain function
- Supports a healthy heart
- Helps support a healthy inflammatory response

Key Ingredients

- **EPA (Eicosapentaenoic Acid):** Helps promote a healthy heart and mind by supporting the body's natural inflammatory response.
- **DHA (Docosahexaenoic Acid):** Helps promote healthy brain and eye function.
- **DPA (Docosapentaenoic Acid):** Supports the skin and healthy circulation in the heart.

FAQ

Question: What makes Advanced Omega different from other fish oil products?
Answer: Advanced Omega provides a blend of three essential Omega-3 fatty acids, while most fish oil supplements only contain one or two.

Question: Does Advanced Omega have a fishy aftertaste?
Answer: No, Advanced Omega contains lemon oil to ensure no fishy aftertaste.

Question: How is the marine oil in Advanced Omega sourced?
Answer: Advanced Omega contains fish oil that is wild-caught and Friend of the Sea certified. This certification protects sustainable fish stock by requiring no endangered species be used, while fishing only in season, and within a specified quota.

Directions

Take one softgel daily with food and water, or as recommended by a physician.
